

## ***Cofanet is now CofaNet Essentials***

Your Cofanet online policy management tool now has a new name: CofaNet Essentials. The existing functionalities remain the same, and we've added a few improvements, outlined below.

This name change is due to upcoming enhancements to our client services platform in the next few months. We're adding two optional services to CofaNet Essentials: CofaNet Policy Master and CofaNet Cash Master.

CofaNet Policy Master will help automate credit insurance policy management and CofaNet Cash Master will improve communications with lenders on approved coverages. We will keep you updated when these services are available.
