CofaMove is a mobile credit management service that provides dedicated access, within easy reach, to the Coface global credit decision system (CofaNet).

As a complementary solution to CofaNet, CofaMove

- ✓ Improves credit managers responsiveness in risk-taking and monitoring
- ✓ Provides credit management guidance to sales forces in real time

The current functions of CofaMove include:

- ✓ Buyer identification
- ✓ Monitoring of risk exposure
- ✓ Requests for coverage and information products

The Coface Group is a **global leader in credit insurance** and a recognised expert in commercial risk management. It provides businesses worldwide with solutions to protect them against the risk of client insolvency on their domestic and export markets.

In 2017, the Group recorded a consolidated turnover of € 1.354 billion. Its **4,300 employees** provide local service in 67 countries. Each quarter, Coface publishes its **country risk assessments for 160 countries**, based on its knowledge of companies' payment behavior and on the expertise of its **350 underwriters**.

Working in close partnership, Coface advise companies at every stage of their development in order to anticipate and assess the risks involved, and help them take the right decisions.
